Rolcut Universal Slitter

Rolcut by Coda takes rolls as they come from the manufacturer up to 500 feet, up to 20" width. Cuts paper to the widths you need as you need them. Simultaneously cuts narrow strip for single test for all print sizes. You save time and money, get matching prints of uniform quality.

Rolcut may also be used to rewind and inspect finished prints before cutting.

Specifications: Replaceable blades instantly adjustable to any multiple of widths at one time. Rugged, compact: Table space 22" x 24". Positive hand-crank mechanism slits a 250' roll in one minute.

Price with (2) Cutting Blades

\$2500.00
