HOW TO BUY USED EQUIPMENT
GENERAL

 Make a refundable deposit to FootPrints Equipment, Inc. FootPrints Equipment then will release the company name and phone number to you of the seller of the equipment you have interest. You then speak to the owner of the equipment and explore all positive and negative possibilities to your own satisfaction.

SPECIFIC

 Items under $3,000 in value may be shipped with your "Right of Return" via UPS, provided this clearly understood before the item is shipped. Under "Right of Return", you will pay freight both ways.

 Items over $3,000 may in many cases be inspected by the manufacturers representative or independent service technician of your choice, who will then call you and discuss the equipment in general. When this in not available you must fly to see the equipment yourself.

Conditions of Sale

All purchases are for CASH, and ALL equipment is purchased without warranty on an "As-is, Where-is, Without Any Guarantees Expressed or Implied" basis, unless otherwise stated in the form of a written warranty. Equipment is shipped by UPS or Air Ride Van Lines whenever possible. Freight and Insurance costs are Pre-Paid by the buyer of the equipment. Requests for crating and/or other special handling will be charged to the buyer accordingly.
